

UTLX MANAGEMENT'S COMMITMENT TO RESPONSIBLE CARE

UTLX CARES!

UTLX is committed to our customers' requirements and expectations. UTLX is committed to our role in assisting customers in the safe transportation of the products and materials they manufacture. UTLX is committed to providing a safe workplace for our employees. UTLX is committed to sustaining a positive impact on the environment and community.

UTLX manufactures railroad tank cars for sale and lease, and provides services to repair and maintain railroad tank cars and hopper cars. Our goal is to maintain and grow our position as the industry's leading builder and lessor of tank car and plastic hopper leasing services supported by outstanding design, manufacturing, and repair capabilities.

UTLX will strive to reach the vision of no accidents, no injuries, and no harm to the environment from our on-going manufacturing and equipment repair operations. We will publicly report on our environmental, safety and health performance.

ENVIRONMENTAL, HEALTH, SAFETY AND SECURITY POLICY

- **W**e will strive to lead in the development of responsible laws, regulations, and standards that safeguard the community, workplace and environment.
- **E**nsure UTLX operates according to its guidelines by developing goals and continually improving; encouraging, and assisting others to adhere to Responsible Care[®] principles and practices.
- **C**ontinue to seek and incorporate stakeholder input regarding our operations.
- **A**lways strive to provide our employees with an environment that promotes health and safety. Critical consideration of process safety, security, the environment and resource conservation will be included in all new and existing products and processes.
- **R**eport risk information on health, safety, security, environment, and protective measures to employees, key stakeholders and members of the public.
- **E**xceed or meet legal and other applicable requirements in the operation of our facilities.
